

# FROM THE PRESIDENT

2021-2022 School Year

---

Welcome to New Creation Bible Institute!

Founded in 1987, New Creation Bible Institute is a two to four-year school for adults of all ages. NCBI exists to educate, equip and empower you to walk out the plan God has for your life by growing your knowledge of God and His Word. Whether you want to more effectively serve in the local church, or prepare for full-time ministry, NCBI is the fit for you.

Our mission is to train up students to “Go ye” into all the world and radically change it through the power and love of Jesus.

Here’s what to expect by attending NCBI: deepen your relationship with God, discover your identity in Jesus, unearth the God-given call on your life, learn how to be led by God, be equipped to do ministry, walk in the giftings and power of the Holy Spirit and increase your Biblical understanding.

As you press toward the goal for the prize of the upward call of God in Christ Jesus, we will all be working together to reach a lost and dying world by effectively bringing the life of God, to the lives of people.

Sincerely,

Pastor Arnie R. Klahr  
President, NCBI
